

Panel Recruiting

At some point, most if not all market research companies have need for an online panel. Often, the only option is to work with one or more online panel providers... which is good news.... for online panel providers!

Research Solutions from DBS Data would like to provide a quality, cost-effective alternative
- Have your own online panel

Panel Recruiting

- Single or multi-country
- All members are profiled to your requirements
- General consumer
- IT and/or Business Decision Makers
- Patients by condition
- Line of Business Management
- Panel sizes to your needs
- Double opt-in
- Highly responsive
- All panel member details passed on to you

Whether you are looking for consumers, BtoB or even patients, we can recruit premium quality, responsive panel members quickly and cost effectively.
